## ABOUT ME

With over 3 years of hands-on experience, I bring creativity, technical expertise, and full dedication to every project I take on. I'm not just a developer. I'm a problem solver who loves turning ideas into fully functional websites, apps, and software that help businesses grow and strengthen their online presence. Whether you need a custom-designed website or want to improve your online presence with SEO, my experience and skills are here to help.

I specialize in WordPress, Shopify, full-stack development, HTML, CSS, PHP, and custom AI-based solutions. Whether you need a small business website, a complete eCommerce store, or a smart software tool for your team, I deliver exactly what you need fully customized, high-quality, and professionally built.
